

Milosh (Milosh Luczynski)

Paris based video, intermedia, light artist.

Creates monumental multimedia installations, live media performances, immersive kinetic spaces often filled or superposed with animated text lines; on the border of visual music and spatial augmented reality.

His multilayered works explores fundamental questions related to time and space, exploring the boundaries of perception.

Pioneer of Vjing in Europe in mid 90', he worked alongside electronic musicians such as Richard Pinhas, Laurent Garnier, Patrick Vidal "new music" composers (Dickson Dee aka Li Chin Sung, Krzysztof Knittel, Wilfried Wendling). Writers (Vincent Ravalec, Mian Mian), Poets (Bas Bottcher, Adam Wiedemann) and media artists such as Daito Manabe.

He has brought his installations and performances around the world, including the Palais de Tokyo in Paris, The Museum of Contemporary Art in Chicago, Kunsthaus Baselland in Basel, National Gallery in Singapore, Museum of Modern Art in Warsaw...

Festivals in Paris, Beijing, Berlin, London, Moscow, Shenzhen...

The Festival of Lights in Lyon, Lumina in Cascais, Light Guerilla in Ljubljana, Lichtfestival Gent among others.
